Based upon the foregoing and subject to the limitations, qualifications and assumptions set forth herein, we are of the opinion that:

1. The Rights have been duly authorized and, when issued, will be good obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, receivership or other laws relating to or affecting creditors' rights generally, and to general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity).

August 31, 2015

Source Capital Group, Inc.  
As Dealer-Manager  
276 Post Road West  
Westport, CT 06880

Ladies and Gentlemen:

The following will confirm our agreement relating to the proposed subscription rights offering (the "Rights Offering") to be undertaken by Chanticleer Holdings, Inc., a Delaware corporation (the "Company"), pursuant to which the Company will distribute to holders of record of its common stock, par value \$0.0001 per share (the "Common Stock"), subscription rights (the "Rights") as set forth in the Prospectus Supplement to be filed on or about September 8, 2015 to the Company's Form S-3 shelf registration statement (File No. 333-203679) first filed with the U.S. Securities and Exchange Commission (the "Commission") on June 9, 2015, as amended, to subscribe for and purchase shares of Common Stock (the "Rights Shares"), at a subscription price equal to \$1.35 per Right in cash (the "Subscription Price").

### 1. The Rights Offering.

(a) The Company proposes to undertake the Rights Offering pursuant to which each holder of Common Stock shall receive one Right for each share of Common Stock held of record at the close of business on September 4, 2015 (the "Record Date"). Holders of Rights will be entitled to subscribe for and purchase, at the Subscription Price, one share of Common Stock for every Right granted to Holders on the Record Date (the "Basic Subscription Right").

(b) The Rights shall be non-transferable. The Rights Shares are expected to be listed on the Nasdaq Capital Market and shall be transferable in accordance with applicable state "blue sky" laws, rules and regulations.

(c) Any holder of Rights who fully exercises all Basic Subscription Rights issued to such holder is entitled to subscribe for Rights Shares which were not otherwise subscribed for by others pursuant to their Basic Subscription Rights (the "Over-Subscription Right"). The Over-Subscription Right shall allow a holder of a Right to subscribe for an additional amount equal to any and all of the Rights Shares which were not otherwise subscribed for as of the Expiration Date (as defined below). Rights Shares acquired pursuant to the Over-Subscription Rights are subject to allotment and pro rata allocation, as more fully discussed in the Prospectus (as defined herein).

(d) The Rights will expire at 5:00 p.m., New York City time, on September 18, 2015, (the "Expiration Date"). The Company shall have the right to extend the Expiration Date for up to an additional 30 trading days in its sole discretion.

---

(c) All funds from the exercise of Basic Subscription Rights and Over-Subscription Rights will be deposited with Securities Transfer Corporation, as the subscription agent (the "Subscription Agent"), and held in a segregated account with the Subscription Agent pending a final determination of the number of Rights Shares to be issued pursuant to the exercise of Basic Subscription Rights and Over-Subscription Rights. As soon as is practicable, the Company shall conduct a closing of the Rights Offering (a "Closing"). In no event will the Company raise more than \$11,000,000 in this Rights Offering, unless such maximum offering amount is waived by the Company, in its sole discretion.

2. Appointment as Dealer-Manager; Role of Dealer-Manager. The Company hereby engages Source Capital Group, Inc. ("Source") as the exclusive dealer-manager (the "Dealer-Manager") in connection with the Rights Offering, and authorizes the Dealer-Manager to act as such on its behalf in connection with the Rights Offering, in accordance with this Dealer-Manager Agreement (this "Agreement"). During the Engagement Period, as defined in the engagement letter entered into by and between the Company and the Dealer-Manager, dated August 11, 2015 (the "Engagement Letter"), the Company will not solicit, negotiate with or enter into any agreement with any placement agent, financial advisor, dealer manager, brokers, dealers or underwriters or any other person or entity in connection with the Rights Offering. On the basis of the representations and warranties and agreements of the Company contained in this Agreement and subject to and in accordance with the terms and conditions hereof, the Dealer-Manager agrees that as Dealer-Manager it will, in accordance with its customary practice and to the extent requested by the Company, use its commercially reasonable efforts to (i) advise on pricing, structuring and other terms and conditions of the Rights Offering, including whether to provide for transferability, tradability and oversubscription rights and limits (it being acknowledged that such services have been previously provided pursuant to the Engagement Letter without compensation therefor), (ii) provide guidance on general market conditions and their impact on the Rights Offering, (iii) assist the Company in drafting a presentation that may be used to market the Rights Offering to existing and potential investors, describing the proposed capital raising, the Company's history and performance to date, track records of key executives, highlights of the Company's business plan and the intended use of proceeds from the Rights Offering, (iv) advise on the selection of the Information Agent and Subscription Agent (it being acknowledged that such advice has been previously rendered pursuant to the Engagement Letter), (v) assist the Company with its understanding of state blue sky laws and retaining of Issuer counsel to assist with the blue sky filings related to the Rights Offering and (vi) solicit the holders of the Rights to encourage them to exercise such Rights. For the avoidance of doubt and notwithstanding anything that may be to the contrary in this Agreement, the Company and the Dealer-Manager hereby agree that the Dealer-Manager will not underwrite the Rights Offering, the Dealer-Manager has no obligation to act, and will not act, in any capacity as an underwriter in connection with the Rights Offering and the Dealer-Manager has no obligation to purchase or procure purchases of the Rights Shares offered in connection with the Rights Offering. The Company agrees that it will not hold the Dealer-Manager liable or responsible for the failure of the Rights Offering in the event that the Rights Offering is not successfully consummated for any reason.

3. No Liability for Acts of Brokers, Dealers, Banks and Trust Companies The Dealer-Manager shall not be subject to any liability to the Company or any of the Company's Subsidiaries (as defined below) or "affiliates" ("Affiliates," as such term is defined in Rule 144 under the Securities Act of 1933, as amended (the "Securities Act")) for any act or omission on the part of any broker or dealer in securities (other than the Dealer-Manager) or any bank or trust company or any other management, shareholders, creditors or any other natural person, partnership, limited liability partnership, corporation, limited liability company, business trust, joint stock company, trust, unincorporated association, joint venture, or other entity or organization (each, a "Person"), and the Dealer-Manager shall not be liable for its own acts or omissions in performing its obligations as advisor or Dealer-Manager hereunder or otherwise in connection with the Rights Offering or the related transactions, except for any losses, claims, damages, liabilities and expenses determined in a final judgment by a court of competent jurisdiction to have resulted directly from any such acts or omissions undertaken or omitted to be taken by the Dealer-Manager through its gross negligence or willful misconduct. In soliciting or obtaining exercises of Rights, the Dealer-Manager shall not be deemed to be acting as the agent of the Company or as the agent of any broker, dealer, bank or trust company, and no broker, dealer, bank or trust company shall be deemed to be acting as the Dealer-Manager's agent or as the agent of the Company. As used herein, the term "Subsidiary" means a Subsidiary of the Company as defined in Rule 405 of the Securities Act. Unless the context specifically requires otherwise, the term "Company" as used in this Agreement means the Company and its Subsidiaries collectively on a consolidated basis.

#### 4. The Offer Documents

(a) There will be used in connection with the Rights Offering certain materials in addition to the Registration Statement, Preliminary Prospectus, Base Prospectus and any Prospectus Supplement as filed (each as defined herein), including: (i) all exhibits to the Registration Statement which pertain to the conduct of the Rights Offering, (ii) any soliciting materials relating to the Rights Offering approved by the Company and (iii) any free writing prospectus with respect to the Rights Offering filed by the Company (collectively with the Registration Statement and the Prospectus, the "Offer Documents"). The Dealer-Manager shall be given an opportunity to review and comment upon the Offer Documents. Any references in this Agreement to the Registration Statement or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, as of the effective date of the Registration Statement or the date of such Prospectus, as the case may be.

(b) The Company agrees to furnish the Dealer-Manager with as many copies as it may reasonably request of the final forms of the Offer Documents and the Dealer-Manager is authorized to use copies of the Offer Documents in connection with its acting as Dealer-Manager. The Dealer-Manager hereby agrees that it will not disseminate any written material for or in connection with the solicitation of exercises of Rights pursuant to the Rights Offering other than the Offer Documents.

(c) The Company represents and agrees that no solicitation material, other than the Offer Documents and the documents to be filed therewith as exhibits thereto (each in the form of which has been approved by the Dealer-Manager), will be used in connection with the Rights Offering by or on behalf of the Company without the prior approval of the Dealer-Manager, which approval will not be unreasonably withheld. In the event that the Company uses or permits the use of any such solicitation material in connection with the Rights Offering, then the Dealer-Manager shall be entitled to withdraw as Dealer-Manager in connection with the Rights Offering and the related transactions without any liability or penalty to the Dealer-Manager or any other Person identified in Section 11 hereof as an “indemnified party,” and the Dealer-Manager shall be entitled to receive the payment of all fees and expenses payable under this Agreement or the Engagement Letter which have accrued to the date of such withdrawal or which otherwise thereafter become payable.

5. Representations and Warranties. The Company represents and warrants to the Dealer-Manager that:

(a) The Company has prepared and filed with the Commission a registration statement, and an amendment or amendments thereto, on Form S-3 (File No. 333-203679) including a prospectus (the “Base Prospectus”) for the registration of the Rights and the Rights Shares under the Securities Act, which Registration Statement, as so amended prior to the Effective Time (including post-effective amendments, if any), has been declared effective by the Commission and copies of which have heretofore been delivered to the Dealer-Manager. At the time of such filing, the Company met the requirements of Form S-3 under the Securities Act. Such Registration Statement meets the requirements set forth in Rule 415(a)(1)(x) under the Securities Act and complies with said rule. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430A (“Rule 430A”) of the rules and regulations of the Commission under the Securities Act (the “Securities Act Regulations”) and paragraph (b) of Rule 424 (“Rule 424(b)”) of the Securities Act Regulations. The information included in such prospectus that was omitted from such Registration Statement at the time it became effective but that is deemed to be part of such Registration Statement at the time it became effective pursuant to paragraph (b) of Rule 430A is referred to as “Rule 430A Information.” The Base Prospectus and each prospectus used before such Registration Statement became effective, and any prospectus that omitted the Rule 430A Information that was used after such effectiveness and prior to the execution and delivery of this Agreement, is referred to herein as a “Preliminary Prospectus.” For purposes of this Agreement, “Effective Time” means the date and the time as of which such registration statement, or the most recent post-effective amendment thereto, if any, was declared effective by the Commission; “Effective Date” means the date of the Effective Time; “Registration Statement” means such Registration Statement, as amended at the Effective Time, including any documents which are exhibits thereto; and “Prospectus” means such final prospectus, as first filed with the Commission pursuant to paragraph (1) or (4) of Rule 424(b) of the Securities Act, including the Base Prospectus all information or reports under the Securities Exchange Act of 1934, as amended, incorporated in the Prospectus by reference. The Commission has not issued any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus. All references in this Agreement to the Registration Statement, a Preliminary Prospectus, and the Prospectus, or any amendments or supplements to any of the foregoing shall be deemed to include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“EDGAR”). The Prospectus delivered to the Dealer-Manager for use in connection with the Rights Offering will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T promulgated by the Commission.

(b) The Registration Statement (together with all exhibits filed as part of the Registration Statement) conforms, and any Preliminary Prospectus and the Prospectus and any further amendments or supplements to the Registration Statement conforms or will conform, when they are filed with or become effective by the Commission, as the case may be, in each case, in all material respects to the requirements of the Securities Act and collectively do not and will not, as of the applicable Effective Date (as to the Registration Statement and any amendment thereto) and as of the applicable filing date (as to the Prospectus and any amendment or supplement thereto) contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (with respect to the Prospectus, in the light of the circumstances under which they were made) not misleading; provided that no representation or warranty is made by the Company as to information contained in or omitted from the Registration Statement or the Prospectus in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Dealer-Manager specifically for inclusion therein, it being acknowledged and agreed that such information provided by or on behalf of the Dealer-Manager consists solely and exclusively of disclosure of the name of the Dealer-Manager acting in its capacity as dealer-manager for the Rights Offering contained in the Prospectus (collectively, the “Dealer-Manager Information”) under appropriate headings and in its final form as approved by the Dealer-Manager and its counsel.

(c) There are no contracts, agreements, plans or other documents which are required to be described in the Prospectus or filed as exhibits to the Registration Statement by the Securities Act which have not been described in the Prospectus or filed as exhibits to the Registration Statement or referred to in, or incorporated by reference into, the exhibit table of the Registration Statement as permitted by the Securities Act.

(d) The Company and each of its Subsidiaries have been duly incorporated and are validly existing as corporations in good standing under the laws of their respective jurisdictions of incorporation, are duly qualified to do business and are in good standing as foreign corporations in each jurisdiction in which their respective ownership or lease of property or the conduct of their respective businesses requires such qualification, and have all power and authority necessary to own or hold their respective properties and to conduct the businesses in which they are engaged, except where the absence of such power or authority (either individually and in the aggregate) could not reasonably be expected to have a material adverse effect on: (i) the business, condition (financial or otherwise), results of operations, shareholders’ equity, properties or prospects (as such prospects are disclosed or described in the Prospectus) of the Company or its Subsidiaries; (ii) the long-term debt or capital stock of the Company or its Subsidiaries; or (iii) the Rights Offering or consummation of any of the other transactions contemplated by this Agreement, the Registration Statement or the Prospectus (any such effect being a “Material Adverse Effect”).

(e) This Agreement has been duly authorized, executed and delivered by the Company and, assuming the due authorization, execution and delivery by the Dealer-Manager, constitutes the valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and by general principles of equity.

(f) Neither the Company nor any of its Subsidiaries: (i) is in violation of its charter or by-laws, (ii) in default under or in breach of, and no event has occurred which, with notice or lapse of time or both, would constitute a default or breach under or result in the creation or imposition of any lien, charge, mortgage, pledge, security interest, claim, equity, trust or other encumbrance, preferential arrangement, defect or restriction of any kind whatsoever (each, a "Lien") upon any of their property or assets pursuant to, any material contract, agreement, indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which it is a party or by which it is bound or to which any of its properties or assets is subject, or (iii) is in violation in any respect of any law, rule, regulation, ordinance, directive, judgment, decree or order, foreign and domestic, to which it or its properties or assets may be subject or has failed to obtain any material license, permit, certificate, franchise or other governmental authorization or permit necessary to the ownership of its properties or assets or to the conduct of its business, except, in the case of clauses (ii) and (iii) above, any violation, default or failure to possess the same that would not have a Material Adverse Effect.

(g) Prior to or on the date hereof: (i) the Company and the Subscription Agent have or will have entered into a subscription agency agreement (the "Subscription Agency Agreement") if required by the Subscription Agent and (ii) the Company and Okapi Partners LLC (the "Information Agent") have or will have entered into an information agency agreement (the "Information Agency Agreement") if required by the Information Agent. When executed by the Company, if applicable, each of the Subscription Agency Agreement and the Information Agency Agreement will have been duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery by Subscription Agent or the Information Agent, as the case may be, will constitute a valid and legally binding agreement of the Company enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and by general principles of equity.

(h) The Rights to be issued and distributed by the Company have been duly and validly authorized and, when issued and delivered in accordance with the terms of the Offer Documents, will be duly and validly issued, and will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms, no holder of the Rights is or will be subject to personal liability by reason of being such a holder, and the Rights conform to the description thereof contained in the Prospectus. The shares of Common Stock issuable upon exercise of any Rights have been duly and validly authorized and, when issued and delivered in accordance with the terms of the Rights, will be duly and validly issued, fully paid and non-assessable and will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms, no holder of the Common Stock is or will be subject to personal liability by reason of being such a holder, and the Common Stock conforms to the description thereof contained in the Prospectus.

(i) Except as disclosed in the Prospectus with respect to the Company's authorized capitalization, the Rights Shares have been duly and validly authorized and reserved for issuance upon exercise of the Rights and are free of statutory and contractual preemptive rights and are sufficient in number to meet the exercise requirements of the Rights Offering; and Rights Shares, when so issued and delivered against payment therefore in accordance with the terms of the Rights Offering, will be duly and validly issued, fully paid and non-assessable, with no personal liability attaching to the ownership thereof, and will conform to the description thereof contained in the Prospectus.

(j) The Common Stock is quoted on the Nasdaq Capital Market ("NasdaqCM"). The Company has not received an oral or written notification from the NasdaqCM or any court or any other federal, state, local or foreign governmental or regulatory authority having jurisdiction over the Company or any of its Subsidiaries or any of their properties or assets ("Governmental Authority") of any inquiry or investigation or other action that would cause the Common Stock or the Rights Shares to not be quoted on the NasdaqCM.

(k) The Company has an authorized capitalization as set forth under the caption "Capitalization" in the Prospectus, and all of the issued shares of capital stock of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and have been issued in compliance with federal and state securities laws. None of the outstanding shares of Company capital stock were issued in violation of any preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase securities of the Company. There are no authorized or outstanding options, warrants, preemptive rights, rights of first refusal or other rights to purchase, or equity or debt securities convertible into or exchangeable or exercisable for, any capital stock of the Company or any of its subsidiaries other than those accurately described in the Registration Statement. The description of the Company's stock option, stock bonus and other stock plans or arrangements, and the options or other rights granted thereunder, set forth in the Registration Statement accurately and fairly presents in all material respects the information required to be shown with respect to such plans, arrangements, options and rights.

(l) [Reserved].

(m) The Company and its Subsidiaries own or lease all such assets or properties as are necessary to the conduct of its business as presently operated and as proposed to be operated as described in the Registration and the Prospectus. The Company or its Subsidiaries have good and marketable title in fee simple to all assets or real property and good and marketable title to all personal property owned by them, in each case free and clear of any Lien, except for such Liens as are described in the Registration Statement and the Prospectus. Any assets or real property and buildings held under lease or sublease by the Company or any Subsidiary is held under valid, subsisting and enforceable leases with such exceptions as are not material to, and do not interfere with, the use made and proposed to be made of such property and buildings by the Company or such Subsidiary. Neither the Company nor any Subsidiary has received any notice of any material claim adverse to its ownership of any real or personal property or of any material claim against the continued possession of any real property, whether owned or held under lease or sublease by the Company or any Subsidiary.

(n) The Company and its Subsidiaries have all material consents, approvals, authorizations, orders, registrations, qualifications, licenses, filings and permits of, with and from all judicial, regulatory and other Governmental Authorities and all third parties, foreign and domestic (collectively, with the Licensing Requirements described below, the “Consents”), to own, lease and operate their properties and conduct their businesses as presently being conducted and as disclosed in the Registration Statement and the Prospectus, and each such Consent is valid and in full force and effect. The Company has not received notice of any investigation or proceedings which results in or, if decided adversely to the Company, could reasonably be expected to result in, the revocation of any Consent or reasonably be expected to have a Material Adverse Effect. No Consent contains a materially burdensome restriction not adequately disclosed in the Registration Statement and the Prospectus.

(o) The execution, delivery and performance of this Agreement by the Company, the issuance of the Rights in accordance with the terms of the Offer Documents, the issuance of Rights Shares in accordance with the terms of the Rights Offering, and the consummation by the Company of the transactions contemplated hereby, the Subscription Agency Agreement and the Information Agency Agreement, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its Subsidiaries or any of its Affiliates is a party or by which the Company or any of its Subsidiaries or its Affiliates is bound or to which any of the properties or assets of the Company or any of its Subsidiaries or its Affiliates is subject, nor will such actions result in any violation of the provisions of the charter or by-laws of the Company or any of its Subsidiaries or any statute or any order, rule or regulation of any Governmental Authority; and except for the registration of the Rights and the Rights Shares under the Securities Act and such consents, approvals, authorizations, registrations or qualifications as may be required under the Exchange Act and applicable state securities laws in connection with the distribution of the Rights and the sale of the Rights Shares by the Company, no consent, approval, authorization or order of, or filing or registration with, any such court or Governmental Authority is required for the execution, delivery and performance of this Agreement by the Company and the consummation by it of the transactions contemplated hereby.

(p) Except as otherwise set forth in the Prospectus, there are no contracts, agreements or understandings between the Company and any Person granting such Person the right to require the Company to include such securities in the securities registered pursuant to the Registration Statement. No holder of any security of the Company has any rights of rescission or similar rights with respect to such securities held by them.

(q) Neither the Company nor any of its Subsidiaries has sustained, since the date of the latest balance sheet included in the Prospectus or after such date and as disclosed in the Prospectus, any material loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree; and, since such date or after such date and as disclosed in the Prospectus, there has not been any change in the capital stock or long-term debt of the Company or any of its Subsidiaries or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, stockholders’ equity, results of operations or prospects (as such prospects are disclosed or described in the Prospectus) of the Company and its Subsidiaries (a “Material Adverse Change”). Since the date of the latest balance sheet presented in the Prospectus, the Company has not incurred or undertaken any liabilities or obligations, whether direct or indirect, liquidated or contingent, matured or unmatured, or entered into any transactions, including any acquisition or disposition of any business or asset, which are material to the Company, except for liabilities, obligations and transactions which are disclosed in the Registration Statement, any Preliminary Prospectus and the Prospectus.

(r) Marcum LLP (“Marcum”), whose reports relating to the Company are included in the Registration Statement, are independent registered public accountants as required by the Securities Act, the Exchange Act and the rules and regulations promulgated by the Public Company Accounting Oversight Board (the “PCAOB”). Marcum, to the best of the Company’s knowledge, is duly registered and in good standing with the PCAOB. Marcum has not, during the periods covered by the financial statements included in the Registration Statement, the Preliminary Prospectus and the Prospectus, provided to the Company any non-audit services, as such term is used in Section 10A(g) of the Exchange Act.

(s) The financial statements, including the notes thereto, and any supporting schedules included in the Registration Statement, any Preliminary Prospectus and the Prospectus present fairly, in all material respects, the financial position as of the dates indicated and the cash flows and results of operations for the periods specified of the Company. Except as otherwise stated in the Registration Statement, any Preliminary Prospectus and the Prospectus, said financial statements have been prepared in conformity with United States generally accepted accounting principles applied on a consistent basis throughout the periods involved. Any supporting schedules included in the Registration Statement, any Preliminary Prospectus and the Prospectus present fairly, in all material respects, the information required to be stated therein. No other financial statements or supporting schedules are required to be included or incorporated by reference in the Registration Statement. The other financial and statistical information included in the Registration Statement, any Preliminary Prospectus and the Prospectus present fairly, in all material respects, the information included therein and have been prepared on a basis consistent with that of the financial statements that are included in the Registration Statement, such Preliminary Prospectus and the Prospectus and the books and records of the respective entities presented therein.

(t) There are no pro forma or as adjusted financial statements which are required to be included in the Registration Statement, any Preliminary Prospectus and the Prospectus in accordance with Regulation S-X under the Securities Act which have not been included as so required. The pro forma and/or as adjusted financial information included in the Registration Statement, any Preliminary Prospectus and the Prospectus has been properly compiled and prepared in accordance with the applicable requirements of the Securities Act and include all adjustments necessary to present fairly, in all material respects, in accordance with generally accepted accounting principles the pro forma and as adjusted financial position of the respective entity or entities presented therein at the respective dates indicated and their cash flows and the results of operations for the respective periods specified. The assumptions used in preparing the pro forma and as adjusted financial information included in the Registration Statement, any Preliminary Prospectus and the Prospectus provide a reasonable basis for presenting the significant effects directly attributable to the transactions or events described therein. The related pro forma and pro forma as adjusted adjustments give appropriate effect to those assumptions; and the pro forma and pro forma as adjusted financial information reflect the proper application of those adjustments to the corresponding historical financial statement amounts.

(u) The statistical, industry-related and market-related data included in the Registration Statement, any Preliminary Prospectus and the Prospectus are based on or derived from sources which the Company reasonably believes are reliable and accurate, and such data agree with the sources from which they are derived. All applicable third party consents have been obtained in order for such data to be included in the Registration Statement, any Preliminary Prospectus and the Prospectus.

(v) Except as disclosed in the Registration Statement and the Prospectus, the Company maintains a system of internal accounting and other controls sufficient to provide reasonable assurances that: (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with United States generally accepted accounting principles and to maintain accountability for assets, (iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accounting for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(w) The Company's Board of Directors has validly appointed an audit committee, compensation committee and nominating and corporate governance committee whose composition satisfies the requirements of the rules and regulations of the Commission and the Company's Board of Directors and/or audit committee, compensation committee and the nominating corporate governance committee has each adopted a charter as described in the Registration Statement, and such charters are in full force and effect as of the date hereof. Neither the Company's Board of Directors nor the audit committee thereof has been informed, nor is any director of the Company aware, of: (i) except as disclosed in the Registration Statement and the Prospectus, any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information; or (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal control over financial reporting.

(x) The Company is in material compliance with the provisions of the Sarbanes-Oxley Act of 2002, as amended ("Sarbanes-Oxley") applicable to the Company, and the rules and regulations promulgated thereunder and related or similar rules and regulations promulgated by any other Governmental Authority or self regulatory entity or agency, except for violations which, singly or in the aggregate, are disclosed in the Prospectus or would not have a Material Adverse Effect.

(y) No relationship, direct or indirect, exists between or among any of the Company or any Affiliate of the Company, on the one hand, and any director, officer, shareholder, customer or supplier of the Company or any Affiliate of the Company, on the other hand, which is required by the Securities Act or the Exchange Act to be described in the Registration Statement or the Prospectus which is not so described as required. Except as disclosed in the Registration Statement and the Prospectus, there are no outstanding loans, advances (except normal advances for business expenses in the ordinary course of business) or guarantees of indebtedness by the Company to or for the benefit of any of the officers or directors of the Company or any of their respective family members. The Company has not, in violation of Sarbanes-Oxley, directly or indirectly, including through any Affiliate of the Company (other than as permitted under Sarbanes-Oxley for depository institutions), extended or maintained credit, arranged for the extension of credit, or renewed an extension of credit, in the form of a personal loan to or for any director or executive officer of the Company.

(z) Except as described in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its Subsidiaries is a party or of which any property or asset of the Company or any of its Subsidiaries is the subject which, if determined adversely to the Company or any of its Subsidiaries, are reasonably likely to have a Material Adverse Effect; and to the best of the Company's knowledge, except as disclosed in the Prospectus, no such proceedings are threatened or contemplated by Governmental Authorities or threatened by others.

(aa) The Company and its Subsidiaries have filed all necessary federal, state and foreign income and franchise tax returns and have paid all taxes required to be paid by any of them and, if due and payable, any related or similar assessment, fine or penalty levied against any of them, except where the failure to make such filings or make such payments, either individually or in the aggregate, could not reasonably be expected to have, a Material Adverse Effect. The Company has made adequate charges, accruals and reserves in its financial statements above in respect of all federal, state and foreign income and franchise taxes for all periods as to which the tax liability of the Company or any of its Subsidiaries has not been finally determined.

(bb) Each of the Company and its Subsidiaries maintains insurance of the types and in the amounts which the Company believes to be reasonable and sufficient for a company of its size operating in the Company's industry, including, but not limited to: (i) directors' and officers' insurance (including insurance covering the Company, its directors and officers for liabilities or losses arising in connection with the Rights Offering, including, without limitation, liabilities or losses arising under the Securities Act, the Exchange Act and applicable foreign securities laws), (ii) insurance covering real and personal property owned or leased against theft, damage, destruction, acts of vandalism and all other risks customarily insured against and (iii) business interruption insurance. There are no claims by the Company or any of its Subsidiaries under any policy or instrument described in this paragraph as to which any insurance company is denying liability or defending under a reservation of rights clause. All of the insurance policies described in this paragraph are in full force and effect. Neither the Company nor any of its Subsidiaries has been refused any insurance coverage sought or applied for, and the Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

(cc) The Company and its Subsidiaries own or possess or have the right to use on reasonable terms all patents, patent rights, patent applications, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names, service names and other intellectual property (collectively, "Intellectual Property") necessary to carry on their respective businesses as described in the Prospectus and as proposed to be conducted; and neither the Company nor any of its Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interests of the Company or any of its Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, individually or in the aggregate, might result in a Material Adverse Effect. All former and current employees of the Company or any of its Subsidiaries (and, to the Company's knowledge, all other agents, consultants and contractors of the Company or any of its subsidiaries who contributed to or participated in the conception or development of any Intellectual Property for the Company or any of its Subsidiaries) have executed written contracts or agreements that assign to the Company all rights to any inventions, improvements, discoveries or information relating to the business of the Company and its subsidiaries, including without limitation all Intellectual Property owned, controlled by or in the possession of the Company or any of its subsidiaries. To the knowledge of the Company, there is no unauthorized use, infringement or misappropriation of any of the Intellectual Property by any third party, employee or former employee. Each agreement and instrument (each, a "License Agreement") pursuant to which any Intellectual Property is licensed to the Company or any of its subsidiaries is in full force and effect, has been duly authorized, executed and delivered by, and is a valid and binding agreement of, the Company or the applicable subsidiary, as the case may be, enforceable against the Company or such subsidiary in accordance with its terms, except as enforcement thereof may be subject to bankruptcy, insolvency or other similar laws relating to or affecting creditors' rights generally or by general equitable principles; the Company and its subsidiaries are in compliance with their respective obligations under all License Agreements and, to the knowledge of the Company, all other parties to any of the License Agreements are in compliance with all of their respective obligations thereunder; no event or condition has occurred or exists that gives or would give any party to any License Agreement the right, either immediately or with notice or passage of time or both, to terminate or limit (in whole or in part) any such License Agreement or any rights of the Company or any of its subsidiaries thereunder, to exercise any of such party's remedies thereunder, or to take any action that would adversely affect any rights of the Company or any of its subsidiaries thereunder or that might have a Material Adverse Effect and the Company is not aware of any facts or circumstances that would result in any of the foregoing or give any party to any License Agreement any such right; and neither the Company nor any of its subsidiaries has received any notice of default, breach or non-compliance under any License Agreement.

(dd) Except as described in any Preliminary Prospectus, the Prospectus and the Registration Statement, the Company: (i) is and at all times has been in full compliance with all statutes, rules, regulations or guidance applicable to the ownership, testing, development, manufacture, packaging, processing, use, distribution, marketing, labeling, promotion, sale, offer for sale, storage, import, export or disposal of any product manufactured, distributed or sold by the Company or any component thereof (such statutes, rules, regulations or guidance, collectively, "Applicable Laws"); (ii) has not received any notice of adverse finding, warning letter, untitled letter or other correspondence or notice from any Governmental Authority alleging or asserting noncompliance with any Applicable Laws or any licenses, certificates, approvals, clearances, authorizations, permits and supplements or amendments thereto required by any such Applicable Laws ("Authorizations"); (iii) possesses all Authorizations and such Authorizations are valid and in full force and effect and are not in violation of any term of any such Authorizations; (iv) has not received notice of any claim, suit, proceeding, hearing, enforcement, audit, investigation, arbitration or other action from any Governmental Authority or third party alleging that any product operation or activity is in violation of any Applicable Laws or Authorizations and has no knowledge that any such Governmental Authority or third party is considering any such claim, suit, proceeding, hearing, enforcement, audit, investigation, arbitration or other action; (v) has not received notice that any Governmental Authority has taken, is taking or intends to take action to limit, suspend, modify or revoke any Authorizations and has no knowledge that any such Governmental Authority is considering such action; (vi) has filed, obtained, maintained or submitted all material reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments as required by any Applicable Laws or Authorizations and that all such material reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments were complete and correct in all material respects on the date filed (or were corrected or supplemented by a subsequent submission), except, in the case of each of clauses (i), (ii) and (iii), for any default, violation or event that would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

(ee) Neither the Company nor, to the Company's knowledge, any of the Company's directors, officers or employees has violated: (i) the Bank Secrecy Act, as amended, (ii) the Money Laundering Control Act of 1986, as amended, (iii) the Foreign Corrupt Practices Act, or (iv) the Uniting and Strengthening of America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001, and/or the rules and regulations promulgated under any such law, or any successor law, except for such violations which, singly or in the aggregate, would not have a Material Adverse Effect.

(ff) Neither the Company nor any of its Affiliates has, prior to the date hereof, made any offer or sale of any securities which are required to be "integrated" pursuant to the Securities Act with the offer and sale of the Rights Shares pursuant to the Registration Statement.

(gg) Except as described in the Registration Statement and the Prospectus, there are no claims, payments, arrangements, agreements or understandings relating to the payment of a finder's, consulting or origination fee or other compensation by the Company with respect to the issuance or exercise of the Rights or the sale of the Rights Shares or any other arrangements, agreements or understandings of the Company or, to the Company's knowledge, the Company's officers, directors and employees or Affiliates that may affect the Dealer-Manager's compensation, as determined by the Financial Industry Regulatory Authority, Inc. ("FINRA"). Except as previously disclosed by the Company to the Dealer-Manager in writing, no officer, director, or beneficial owner of 5% or more of any class of the Company's securities (whether debt or equity, registered or unregistered, regardless of the time acquired or the source from which derived) or any other Affiliate is a member or a Person associated, or affiliated with a member of FINRA. No proceeds from the exercise of the Rights will be paid to any FINRA member, or any Persons associated or affiliated with a member of FINRA, except as specifically contemplated herein. Except as previously disclosed by the Company to the Dealer-Manager, no Person to whom securities of the Company have been privately issued within the 180-day period prior to the initial filing date of the Registration Statement has any relationship or affiliation or association with any member of FINRA.

(hh) There are no contracts, agreements or understandings between the Company and any Person that would give rise to a valid claim against the Company or the Dealer-Manager for a brokerage commission, finder's fee or other like payment in connection with the transactions contemplated by this Agreement. Other than the Dealer-Manager, the Company has not employed any brokers, dealers or underwriters in connection with solicitation of exercise of Rights in the Rights Offering, and except provided for in Sections 6 and 7 hereof, no other commissions, fees or discounts will be paid by the Company or otherwise in connection with the Rights Offering.

(ii) Neither the Company nor, to the Company's knowledge, any of the Company's officers, directors, employees or agents has at any time during the last five (5) years: (i) made any unlawful contribution to any candidate for foreign office, or failed to disclose fully any contribution in violation of law, or (ii) made any payment to any federal or state governmental officer or official, or other Person charged with similar public or quasi-public duties, other than payments that are not prohibited by the laws of the United States of any jurisdiction thereof.

(jj) The Company has not and will not, directly or indirectly through any officer, director or Affiliate of the Company or through any other Person: (i) taken any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the issuance of the Rights or the sale or resale of the Rights Shares, (ii) since the filing of the Registration Statement sold, bid for or purchased, or paid any Person (other than the Dealer-Manager) any compensation for soliciting exercises or purchases of, the Rights or the Rights Shares and (iii) until the later of the expiration of the Rights or the completion of the distribution (within the meaning of Regulation M under the Exchange Act) of the Rights Shares, sell, bid for or purchase, apply or agree to pay to any Person (other than the Dealer-Manager) any compensation for soliciting another to purchase any other securities of the Company (except for the solicitation of the exercises of Rights pursuant to this Agreement). The foregoing shall not apply to the offer, sale, agreement to sell or delivery with respect to: (i) Rights Shares offered and sold upon exercise of the Rights, as described in the Prospectus, or (ii) any shares of Common Stock sold pursuant to the Company's employee benefit plans.

(kk) Each "forward-looking statement" (within the meaning of Section 27A of the Securities Act or Section 21E of the Exchange Act) included in the Registration Statement and the Prospectus has been made or reaffirmed with a reasonable basis and has been disclosed in good faith.

As used in this Agreement, references to matters being "material" with respect to the Company or any matter relating to the Company shall mean a material item, event, change, condition, status or effect related to the condition (financial or otherwise), properties, assets (including intangible assets), liabilities, business, prospects (as such prospects are disclosed or described in any Preliminary Prospectus or the Prospectus), operations or results of operations of the Company and its Subsidiaries, taken as a whole.

As used in this Agreement, the term "knowledge of the Company" (or similar language) shall mean the knowledge of the officers of the Company who are named in the Prospectus, with the assumption that such officers shall have made reasonable and diligent inquiry of the matters presented (with reference to what is customary and prudent for the applicable individuals in connection with the discharge by the applicable individuals of their duties as officers or directors of the Company).

6. Compensation. The Dealer-Manager shall receive the fees for acting in its capacity as the Dealer-Manager, as set forth in the Engagement Letter. Nothing in this Agreement shall affect the Dealer-Manager's rights to receive any fees, compensation or reimbursement set forth in the Engagement Letter in accordance with the terms thereof. All payments to be made by the Company pursuant to this Section 6 shall be made at the Closing by wire transfer of immediately available funds and consummation of the subscriptions for Rights Shares pursuant to the exercise of Rights (the "Closing Date").

7. Expenses. In addition to the Dealer-Manager's compensation for services hereunder pursuant to Section 6 hereof, the Company shall pay or cause to be paid:

(a) all expenses (including any taxes) incurred in connection with the Rights Offering and the preparation, issuance, execution, authentication and delivery of the Rights and the Rights Shares;

(b) all fees, expenses and disbursements of the Company's accountants, legal counsel and other third party advisors;

(c) all reasonable and documented costs and expenses of the Dealer-Manager as set forth in the Engagement Letter and reimbursable upon any termination of this Agreement only as permitted by FINRA Rule 5110(f)(2)(D);

(d) all fees and expenses of the Subscription Agent and the Information Agent;

(e) all fees, expenses and disbursements (including, without limitation, fees and expenses of the Company's accountants and counsel) in connection with the preparation, printing, filing, delivery and shipping of the Registration Statement (including the financial statements therein and all amendments and exhibits thereto), each Preliminary Prospectus, the Prospectus, the other Offer Documents and any amendments or supplements of the foregoing and any printing, delivery and shipping of this Agreement, the costs of distributing the terms of any agreement relating to any organization of soliciting dealers, if any, to the members thereof by mail, fax or other means of communications;

(f) all fees, expenses and disbursements relating to the registration or qualification of the Rights and the Rights Shares under the “blue sky” securities laws of any states or other jurisdictions and all fees and expenses associated with the preparation of the preliminary and final forms of Blue Sky Memoranda;

(g) all filing fees of the Commission;

(h) all filing fees relating to the review of the Rights Offering by FINRA;

(i) any applicable listing or other fees;

(j) the cost of printing certificates representing the Rights and the Rights Shares;

(k) all advertising charges pertaining to the Rights Offering;

(l) the cost and charges of the Company’s transfer agent(s) or registrar(s); and

(m) all other costs and expenses incident to the performance of its obligations hereunder for which provision is not otherwise made in this Section.

(n) All payments to be made by the Company pursuant to this Section 7 shall be made promptly after the termination or expiration of the Rights Offering or, if later, promptly after the related fees, expenses or charges accrue and an invoice therefor is sent by the Dealer-Manager. The Company shall perform its obligations set forth in this Section 7 whether or not the Rights Offering commences or any Rights are exercised pursuant to the Rights Offering, except that the Dealer Manager’s non-accountable expenses may only be reimbursed upon Closing.

8. Shareholder Lists; Subscription Agent; Information Agent.

(a) The Company will cause the Dealer-Manager to be provided with any cards or lists showing the names and addresses of, and the number of shares of Common Stock held by, the holders of shares of Common Stock as of a recent date and will use its best efforts to cause the Dealer-Manager to be advised from time to time during the period, as the Dealer-Manager shall request, of the Rights Offering as to any transfers of record of shares of Common Stock.

(b) The Company (i) has arranged for Securities Transfer Corporation to serve as subscription agent in connection with the Rights Offering (the “Subscription Agent”), (ii) will arrange for the Subscription Agent to advise the Dealer-Manager regularly as to such matters as the Dealer-Manager may reasonably request, including the number of Rights that have been exercised, and (iii) will arrange for the Subscription Agent to be responsible for receiving subscription funds paid.

(c) The Company has arranged for Okapi Partners LLC to serve as information agent in connection with the Rights Offering (the “Information Agent” and, together with the Subscription Agent, the “Agents”) and to perform services in connection with the Rights Offering that are customary for an information agent.

9. Covenants of the Company. The Company covenants and agrees with the Dealer-Manager:

(a) To use its best efforts to cause the Registration Statement and any amendments thereto to become effective; to advise the Dealer-Manager, promptly after it receives notice thereof, of the time when the Registration Statement, or any amendment thereto, becomes effective or any supplement to the Prospectus or any amended Prospectus has been filed and to furnish the Dealer-Manager with copies thereof; to prepare a Prospectus in a form approved by the Dealer-Manager (such approval not to be unreasonably withheld or delayed) and to file such Prospectus pursuant to Rule 424(b) under the Securities Act within the time prescribed by such rule; to advise the Dealer-Manager, promptly after it receives notice thereof, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus, of the suspension of the qualification of the Rights for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statement or the Prospectus or for additional information; and, in the event of the issuance of any stop order or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus or suspending any such qualification, to use promptly its reasonable best efforts to obtain its withdrawal.

(b) To deliver promptly to the Dealer-Manager, at any such location as requested by the Dealer Manger, such number of the following documents as the Dealer-Manager shall reasonably request: (i) conformed copies of the Registration Statement as originally filed with the Commission and each amendment thereto (in each case excluding exhibits other than this Agreement, any other Offer Documents filed as exhibits, the computation of the ratio of earnings to fixed charges and the computation of per share earnings), (ii) each Preliminary Prospectus, the Prospectus and any amended or supplemented Prospectus and (iii) any document incorporated by reference in the Prospectus (excluding exhibits thereto); and, if the delivery of a prospectus is required at any time during which the Prospectus relating to the Rights or the Rights Shares is required to be delivered under the Securities Act and if at such time any events shall have occurred as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Securities Act or the Exchange Act, to notify the Dealer-Manager and, upon its request, to file such document and to prepare and furnish without charge to the Dealer-Manager as many copies as the Dealer-Manager may from time to time reasonably request of an amended or supplemented Prospectus which will correct such statement or omission or effect such compliance.

(c) To file promptly with the Commission any amendment to the Registration Statement or the Prospectus or any supplement to the Prospectus that may, in the judgment of the Company or the Dealer-Manager, be necessary or advisable in connection with the distribution of the Rights or the sale of the Rights Shares or be requested by the Commission.

(d) Prior to filing with the Commission any: (i) Preliminary Prospectus, (ii) amendment to the Registration Statement, any document incorporated by reference in the Prospectus or (iii) any Prospectus pursuant to Rule 424 of the Securities Act, to furnish a copy thereof to the Dealer-Manager and counsel for the Dealer-Manager and obtain the consent of the Dealer-Manager to the filing (which consent shall not be unreasonably withheld).

(e) To furnish to the Dealer-Manager copies of all materials not available via EDGAR furnished by the Company to its shareholders and all public reports and all reports and financial statements furnished by the Company to the principal national securities exchange upon which any of the Company's securities may be listed pursuant to requirements of or agreements with such exchange or to the Commission pursuant to the Exchange Act or any rule or regulation of the Commission thereunder.

(f) To qualify or register the Rights and the Rights Shares for sale under (or obtain exemptions from the application of) the state securities or blue sky laws of those jurisdictions designated by the Dealer-Manager, shall comply with such laws and shall continue such qualifications, registrations and exemptions in effect so long as required for the distribution of the Rights and the Rights Shares. The Company shall not be required to qualify as a foreign corporation or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign corporation. The Company will advise the Dealer-Manager promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Rights and the Rights Shares for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(g) To apply the net proceeds from the exercise of the Rights in the manner described under the caption "Use of Proceeds" in the Prospectus.

(h) Prior to the effective date of the Registration Statement, to apply for the listing of Rights Shares on the NasdaqCM and to use its best efforts to complete that listing, subject only to official notice of issuance (if applicable), prior to the expiration of the Rights Offering.

(i) To take such steps as shall be necessary to ensure that neither the Company nor any Subsidiary shall become an "investment company" within the meaning of such term under the Investment Company Act of 1940 and the rules and regulations of the Commission thereunder.

(j) To advise the Dealer-Manager, directly or through the Subscription Agent, from time to time, as the Dealer-Manager shall request, of the number of Rights Shares subscribed for, and arrange for the Subscription Agent to furnish the Dealer-Manager with copies of written reports it furnishes to the Company concerning the Rights Offering.

(k) To commence mailing the Offer Documents to record holders of the Common Stock not later than the second business day following the record date for the Rights Offering, and complete such mailing as soon as practicable.

(l) To reserve and keep available for issue upon the exercise of the Rights such number of authorized but unissued shares of Rights Shares as will be sufficient to permit the exercise in full of all Rights, except as otherwise contemplated by the Prospectus.

(m) To not take, directly or indirectly, any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the issuance of the Rights or the sale or resale of the Rights Shares.

10. Conditions of Dealer-Manager's Obligations. The obligations of the Dealer-Manager hereunder are subject to (and the occurrence of any Closing shall be conditioned upon) the accuracy, as of the date hereof and at all times during the Rights Offering, of the representations and warranties of the Company contained herein, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) (i) The Registration Statement shall have become effective and the Prospectus shall have been timely filed with the Commission in accordance with the Securities Act; (ii) all post-effective amendments to the Registration Statement shall have become effective; (iii) no stop order suspending the effectiveness of the Registration Statement or any amendment or supplement thereto shall have been issued and no proceedings for the issuance of any such order shall have been initiated or threatened, and (iv) any request of the Commission for additional information (to be included in the Registration Statement or the Prospectus or otherwise) shall have been disclosed to the Dealer-Manager and complied with to the Dealer-Manager's reasonable satisfaction.

(b) The Dealer-Manager shall not have been advised by the Company or shall have discovered and disclosed to the Company that the Registration Statement or the Prospectus or any amendment or supplement thereto, contains an untrue statement of fact which in the Dealer-Manager's opinion, or in the opinion of counsel to the Dealer-Manager, is material, or omits to state a fact which, in the Dealer-Manager's opinion, or in the opinion of counsel to the Dealer-Manager, is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(c) All corporate proceedings and other legal matters incident to the authorization, form and validity of this Agreement, the Rights, the Rights Shares, the Registration Statement and the Prospectus, and all other legal matters relating to this Agreement and the transactions contemplated hereby shall be reasonably satisfactory in all material respects to counsel for the Dealer-Manager, and the Company shall have furnished to such counsel all documents and information that they may reasonably request to enable them to pass upon such matters.

(d) Concurrently with the execution of this Agreement and on the Closing date, there shall have been furnished to the Dealer-Manager the signed opinion (addressed to the Dealer-Manager) of Libertas Law Group, Inc., counsel for the Company, dated the date hereof and in form and substance satisfactory to counsel for the Dealer-Manager, to the effect of the opinions set forth on Exhibit A hereto.

(e) Concurrently with the execution of this Agreement, the Company shall have furnished to the Dealer-Manager a letter of Marcum, addressed to the Dealer-Manager and dated the date hereof: (i) confirming that they are independent registered public accountants of the Company within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under the PCAOB and applicable rules of the Commission, and (ii) stating, as of the date of the letter (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than five days prior to the date of the letter), the conclusions and findings of such firm with respect to the financial information and other matters specified by the Dealer-Manager.

(f) The Company shall have furnished to the Dealer-Manager a certificate, dated as of the Closing date, of its Chief Executive Officer or President and its Chief Financial Officer stating that:

- i. To the best of their knowledge after reasonable investigation, the representations, warranties, covenants and agreements of the Company hereof are true and correct in all material respects;
- ii. The conditions set forth in this Agreement have been fulfilled;
- iii. Neither the Company nor any of its Subsidiaries has sustained any material loss or interference with its business, whether or not covered by insurance, or from any labor dispute or any legal or governmental proceeding;
- iv. Subsequent to the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any Material Adverse Change or any development involving a prospective Material Adverse Change; and
- v. They have carefully examined the Registration Statement and the Prospectus and, in their opinion (A) the Registration Statement and the Prospectus, as of the Effective Date, did not include any untrue statement of a material fact and did not omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and (B) since the Effective Date no event has occurred which should have been set forth in a supplement or amendment to the Registration Statement or the Prospectus.

(g) Neither the Company nor any of its Subsidiaries shall have sustained since the date of the latest audited financial statements included in the Prospectus any Material Adverse Change, the effect of which is, in the judgment of the Dealer-Manager, so material and adverse as to make it impracticable or inadvisable to proceed with the Rights Offering.

(h) The NasdaqCM shall have approved the Rights Shares for listing, subject only to official notice of issuance.

(i) All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Dealer-Manager. If any of the conditions specified in this Section 10 shall not have been fulfilled when and as required by this Agreement, this Agreement and all obligations of the Dealer-Manager hereunder may be canceled at, or at any time during the Rights Offering, by the Dealer-Manager. Any such cancellation shall be without liability of the Dealer-Manager to the Company. Notice of such cancellation shall be given the Company in writing, or by telegraph or telephone and confirmed in writing.

#### 11. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless the Dealer-Manager and its affiliates and any officer, director, employee or agent of Source or any such affiliates and any Person controlling (within the meaning of Section 20(a) of the Exchange Act) the Dealer-Manager or any of such affiliates (collectively, the "Indemnified Parties") from and against any and all losses, claims, damages, liabilities and expenses whatsoever, under the Securities Act or otherwise (as incurred or suffered and including, but not limited to, any and all legal or other expenses incurred in connection with investigating, preparing to defend or defending any lawsuit, claim or other proceeding, commenced or threatened, whether or not resulting in any liability, which legal or other expenses shall be reimbursed by the Company promptly after receipt of any invoices therefore from the Dealer-Manager), (A) arising out of or based upon: (i) any untrue statement or alleged untrue statement of a material fact contained in the Offer Documents or any amendment or supplement thereto, in any other solicitation material used by the Company or authorized by it for use in connection with the Rights Offering, or in any blue sky application or other document prepared or executed by the Company (or based on any written information furnished by the Company) specifically for the purpose of qualifying any or all of the Rights or the Rights Shares under the securities laws of any state or other jurisdiction (any such application, document or information being hereinafter called a "Blue Sky Application") or arising out of or based upon the omission or alleged omission to state in any such document a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (other than statements or omissions made in reliance upon and in conformity with the Dealer-Manager Information), (ii) any withdrawal or termination by the Company of, or failure by the Company to make or consummate, the Rights Offering, (iii) any actions taken or omitted to be taken by an indemnified party with the consent of the Company or in conformity with actions taken or omitted to be taken by the Company or (iv) any failure by the Company to comply with any agreement or covenant, contained in this Agreement or (B) arising out of, relating to or in connection with or alleged to arise out of, relate to or be in connection with, the Rights Offering, any of the other transactions contemplated thereby or the performance of Source's services to the Company with respect to the Rights Offering.

(b) If the indemnification provided for in the foregoing paragraph is judicially determined to be unavailable (other than in accordance with the terms hereof) to any Indemnified Party otherwise entitled to indemnity in respect of any losses, claims, damages or liabilities referred to herein, then, in lieu of indemnifying such person hereunder, whether or not the Dealer-Manager is the person entitled to indemnification or reimbursement, the Company shall contribute to the amount paid or payable by the Indemnified Party as a result of such losses, claims, damages or liabilities (and expenses relating thereto) (i) in such proportion as is appropriate to reflect the relative benefits to the Company, on the one hand, and the Dealer-Manager, on the other hand, of the Rights Offering or (ii) if the allocation provided for in clause (i) above is not available, in such proportion as is appropriate to reflect not only the relative benefits referred to in such clause (i) but also the relative fault of each of the Company and the Dealer-Manager, as well as any other relevant equitable considerations; provided, however, in no event shall the Dealer-Manager's aggregate contribution to the amount paid or payable exceed the aggregate amount of fees actually received by the Dealer-Manager under this Agreement. For the purposes of this Agreement, the relative benefits to the Company and to the Dealer-Manager of the engagement shall be deemed to be in the same proportion as (a) the total value paid or contemplated to be paid or received or contemplated to be received by the Company in the Rights Offering, whether or not the Rights Offering is consummated, bears to (b) the fees paid or to be paid to the Dealer-Manager under this Agreement.

(c) The Company also agrees that neither the Dealer-Manager, nor any other Indemnified Party, shall have any liability to the Company for or in connection with the Dealer-Manager's engagement as Dealer-Manager, except for any such liability for losses, claims, damages, liabilities or expenses incurred by the Company which are finally judicially determined to have resulted primarily from the Dealer-Manager's bad faith, willful misconduct, or gross negligence. The foregoing agreement shall be in addition to any rights that the Dealer-Manager, the Company or any Indemnified Party may have at common law or otherwise, including, but not limited to, any right to contribution. For the sole purpose of enforcing and otherwise giving effect to the provisions of this Agreement, the Company hereby consents to personal jurisdiction and service and venue in any court in which any claim which is subject to this agreement is brought against the Dealer-Manager or any other indemnified party.

(d) The Company agrees that it will not, without the prior written consent of the Dealer-Manager, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the Dealer-Manager is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release, reasonably satisfactory in form and substance to the Dealer-Manager, releasing the Dealer-Manager from all liability arising out of such claim, action, suit or proceeding.

12. Effective Date of Agreement; Termination.

(a) This Agreement shall become effective upon the later of the time on which the Dealer-Manager shall have received notification of the effectiveness of the Registration Statement and the time which this Agreement shall have been executed by all of the parties hereto.

(b) This Agreement shall terminate upon the earliest to occur of (a) the consummation, termination or withdrawal of the Rights Offering, and (b) the withdrawal by the Dealer-Manager pursuant to Section 4.

13. Survival of Certain Provisions. The agreements contained in Sections 3, 6, 7 and 13 through 21 hereof and the representations, warranties and agreements of the Company contained in Section 5 hereof shall survive the consummation of or failure to commence the Rights Offering and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party; provided, that the Company's obligations under Section 7 to reimburse the Dealer Manager for accountable expenses are subject to FINRA Rule 5110 (f)(2)(D) in that such expenses are only reimbursable to the extent actually incurred and only if the Offering actually closes.

14. Notices. All notices and other communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered personally, (b) sent by facsimile with immediate telephonic confirmation or (c) sent by registered or certified mail, return receipt requested, postage prepaid, to the parties hereto as follows

19. Severability. If any term or provision of this Agreement or the performance thereof shall be invalid or unenforceable to any extent, such invalidity or unenforceability shall not affect or render invalid or unenforceable any other provision of this Agreement and this Agreement shall be valid and enforced to the fullest extent permitted by law.

EXHIBIT A

1. The Company is incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with corporate power and authority to own, lease and operate its properties and conduct its business as described in the Registration Statement, the Offer Documents and the Prospectus and to enter into and perform its obligations under the Dealer-Manager Agreement and the Rights.
2. The Company's authorized capital consists of 45,000,000 shares of Common Stock and 5,000,000 shares of Preferred Stock.
3. The Rights and Rights Shares to be issued and sold by the Company pursuant to the Registration Agreement have been duly and validly authorized and, when issued and delivered to and paid for, will be duly and validly issued and fully paid and nonassessable and will conform to the descriptions thereof contained in the Registration Statement, the Offer Documents and the Prospectus; and the issuance of such Rights and Rights Shares is not subject to any preemptive or similar rights.
4. The Dealer-Manager Agreement has been duly authorized, executed and delivered by the Company and the Company has all the requisite corporate power and authority to enter into the Dealer-Manager Agreement and to perform their obligations thereunder.
5. The issue and sale of the Rights and Rights Shares to be sold by the Company pursuant to the Registration Statement, the execution of the Dealer-Manager Agreement by the Company and the compliance by the Company with all of the provisions of the Dealer-Manager Agreement and the consummation of the transactions therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument, included as an exhibit to the Registration Statement or as an exhibit to any other registration statement or report filed by the Company with the Commission, to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of the Subsidiaries is subject, nor will such action result in any violation of the provisions of the certificate or articles of incorporation or by-laws (or other organizational documents) of the Company or any of its subsidiaries or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Rights and Rights Shares to be sold by the Company pursuant to the Registration Statement or the consummation by the Company of the transactions contemplated by the Dealer-Manager Agreement, except the registration under the Securities Act of the Rights and Rights Shares and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws, as to which we express no opinion.

6. Other than as set forth in the Registration Statement, the Offer Documents and the Prospectus, to our knowledge, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, if determined adversely to the Company or any of its subsidiaries, individually or in the aggregate, would have or may reasonably be expected to have a material adverse effect on the general affairs, business, prospects, management, financial position, shareholders' equity or results of operations of the Company and its subsidiaries, considered as one enterprise, or would prevent or impair the consummation of the transactions contemplated by the Dealer-Manager Agreement, or which are required to be described in the Registration Statement, the Offer Documents and the Prospectus; and, to our knowledge, no such proceedings are threatened or contemplated by governmental authorities or others.
7. The Company is not and, after giving effect to the offering and sale of the Rights as contemplated herein and the application of the net proceeds therefrom as described in the Registration Statement, the Offer Documents and the Prospectus, will not be an "investment company," as such term is defined in the Investment Company Act of 1940.
8. The Registration Statement, including any Rule 462(b) Registration Statement, has been declared effective under the Securities Act; any required filing of the Prospectus pursuant to Rule 424(b) under the Securities Act has been made in the manner and within the time period required by Rule 424(b); all material required to be filed by the Company pursuant to Rule 433(d) under the Securities Act shall have been filed with the Commission within the applicable time period prescribed for such filing by Rule 433 under the Securities Act; and no stop order suspending the effectiveness or use of the Registration Statement, the Offer Documents and the Prospectus has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to our knowledge, threatened by the Commission.
9. To our knowledge, there are no statutes or regulations that are required to be described in the Registration Statement, the Offer Documents and the Prospectus that are not described as required.
10. The Company has applied for the listing of Rights Shares on the NasdaqCM and has duly filed a notification with respect to the listing of the Rights Shares on the NasdaqCM, which has been approved by the NasdaqCM.
11. The Registration Statement, the Offer Documents and the Prospectus and any further amendments and supplements thereto made by the Company (other than the financial statements, related schedules and other financial data therein, as to which we do not express an opinion), comply as to form in all material respects with the requirements of the Securities Act and the rules and regulations thereunder; and we do not know of any amendment to the Registration Statement, the Offer Documents and the Prospectus required to be filed or of any contracts or other documents of a character required to be filed as an exhibit to the Registration Statement or required to be described in the Registration Statement, the Offer Documents and the Prospectus which are not filed or described as required.

12. The documents incorporated by reference in the Registration Statement, the Offer Documents and the Prospectus, or any further amendment or supplement thereto made by the Company (other than the financial statements and related schedules therein, as to which we express no opinion), when they became effective or were filed with the Commission, as the case may be, complied as to form in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder.
13. To our knowledge there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Securities Act with respect to shares of Common Stock or other securities to include such shares of Common Stock or other securities as part of the offering contemplated hereby.

In addition, although we are not passing upon and do not assume any responsibility for nor have they independently verified, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Offer Documents and the Prospectus, in connection with the preparation of the Registration Statement, the Offer Documents and the Prospectus, we have participated in conferences with representatives and counsel of the Dealer-Manager and with certain officers and employees of, and counsel and independent certified public accountants for, the Company, at which conferences the contents of the Registration Statement, the Offer Documents and the Prospectus and related matters were discussed, and we advise the Dealer-Manager that nothing has come to our attention that would lead us to believe that:

- as of its effective date, the Registration Statement (other than the financial statements, related schedules and other financial data therein, as to which we do express no opinion), contained an untrue statement of a material fact required to be stated therein or necessary to make the statements therein not misleading,
- as of the Effective Time, the Offer Documents (other than the financial statements, related schedules and other financial data therein, as to which express no opinion) contain an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or
- as of its date or as of the applicable time of delivery, the Prospectus (other than the financial statements, related schedules and other financial data therein, as to which we express no opinion) contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

provided, however, that we do not assume any responsibility for the accuracy, completeness or fairness of the statements made or the information contained in, incorporated by reference in, or omitted from, the Registration Statement, the Offer Documents or the Prospectus, and we do not express any view or belief with respect to the financial statements and the related notes thereto or financial schedules or other financial, statistical or accounting data or information or assessments of or reports on the effectiveness of internal control over financial reporting included in, incorporated by reference in, or omitted from, the Registration Statement, the Offer Documents or the Prospectus.

The purpose of our engagement was not to establish or confirm factual matters set forth in the Registration Statement, the Offer Documents or the Prospectus, and we have not undertaken any obligation to verify independently any of the factual matters set forth in the Registration Statement, the Offer Documents or the Prospectus.

In the Rights Offering, Chanticleer is offering an aggregate of 7,407,407 Underlying Shares.

Each Recordholder will receive one Right for each share of Common Stock owned of record as of 5:00 p.m., Eastern Standard Time, on the Record Date. The Rights will expire, if not exercised prior to 5:00 p.m., Eastern Standard Time, on September 18, 2015, unless extended (the "Expiration Time"). Each Right allows the holder thereof to subscribe for one share of Common Stock (the "Basic Subscription Privilege") at the cash price of \$1.35 per full share (the "Subscription Price") plus an unlimited over-subscription privilege ("Over-Subscription Privilege") to purchase any shares of Common Stock that are not purchased by stockholders through the exercise of their Basic Subscription Privileges (the "Unsubscribed Shares"). For example, if a Recordholder owned 100 shares of Common Stock as of 4:00 p.m., Eastern Standard Time, on the Record Date, it would receive 100 Rights and would have the right to purchase 100 shares of Common Stock for the Subscription Price plus an unlimited Over-Subscription Privilege.

You must purchase all of the shares of common stock available to you pursuant to your Basic Subscription Privilege in order to also exercise the Over-Subscription Privilege to purchase Unsubscribed Shares. Both the Basic Subscription Privilege and the Over-Subscription Privilege are subject to the availability and pro rata allocation of the Unsubscribed Shares among participants. To the extent the Unsubscribed Shares are not sufficient to satisfy all of the properly exercised subscription privileges, then the Unsubscribed Shares will be prorated among those who properly exercised their subscription privileges based on the number of shares each person subscribed for under the Basic Subscription Privilege. If this pro rata allocation results in any person receiving a greater number of Unsubscribed Shares than the person subscribed for, then such person will be allocated only that number of Unsubscribed Shares for which the person subscribed, and the remaining Unsubscribed Shares will be allocated among all other participants. The proration process will be repeated until all Unsubscribed Shares have been allocated or all subscriptions have been fulfilled, whichever occurs earlier.

The number of shares subscribed pursuant to the subscription privileges is further subject to reduction as a result of Tax Attribute Considerations as described in the Prospectus.

You will be required to submit payment in full for all the shares you wish to buy. Because we will not know the total number of Unsubscribed Shares prior to the Expiration Date, if you wish to maximize the number of shares you may purchase pursuant to your subscription privileges, you will need to deliver payment in an amount equal to the aggregate Subscription Price for the maximum number of shares of Common Stock you wish to subscribe for in total. Chanticleer will eliminate fractional shares of Common Stock resulting from the exercise of subscription privileges by rounding down to the nearest whole share, with the total subscription payment being adjusted accordingly. Any excess subscription payments received by the Subscription Agent will be returned, without interest, as soon as practicable.

---

Chanticleer will not be required to issue shares of our Common Stock to you if the Subscription Agent does not receive your payment prior to the Expiration Time, regardless of when you send the subscription payment and related documents, unless you send the documents in compliance with the guaranteed delivery procedures described below. Chanticleer may extend the Expiration Time by giving oral or written notice to the Subscription Agent on or before the Expiration Time. If Chanticleer elects to extend the Expiration Time, it will issue a press release announcing such extension no later than 9:00 a.m., Eastern Standard Time, on the next business day after the most recently announced Expiration Time. The Rights will be evidenced by non-transferable Rights certificates (the "Rights Certificates").

The number of Rights to which you are entitled is printed on the face of your Rights Certificate. The number of Rights printed on the face of the Rights Certificate can be used to help you determine your percentage ownership for the purposes of determining the number of shares you elect to subscribe for pursuant to the Over-Subscription Privilege. You should indicate your wishes with regard to the exercise of your Rights by completing the appropriate portions of your Rights Certificate and returning the certificate to the Subscription Agent in the envelope provided.

YOUR RIGHTS CERTIFICATES, OR NOTICE OF GUARANTEED DELIVERY, AND SUBSCRIPTION PRICE PAYMENT FOR EACH RIGHT THAT IS EXERCISED PURSUANT TO THE BASIC SUBSCRIPTION PRIVILEGE PLUS THE FULL SUBSCRIPTION PRICE FOR ANY ADDITIONAL SHARES OF COMMON STOCK SUBSCRIBED FOR PURSUANT TO THE OVER-SUBSCRIPTION PRIVILEGE, INCLUDING FINAL CLEARANCE OF ANY CHECKS, MUST BE RECEIVED BY THE SUBSCRIPTION AGENT, ON OR BEFORE THE EXPIRATION TIME. ONCE A HOLDER OF RIGHTS HAS EXERCISED THE BASIC SUBSCRIPTION PRIVILEGE OR THE OVER-SUBSCRIPTION PRIVILEGE, SUCH EXERCISE MAY NOT BE REVOKED. RIGHTS NOT EXERCISED PRIOR TO THE EXPIRATION TIME OF THE RIGHTS OFFERING WILL EXPIRE.

#### **1. Method of Subscription — Exercise of Rights.**

To exercise Rights, complete your Rights Certificate and send the properly completed and executed Rights Certificate evidencing such Rights with any signatures required to be guaranteed so guaranteed, together with payment in full of the Subscription Price for each Underlying Share subscribed for pursuant to the Basic Subscription Privilege plus the full Subscription Price for any Unsubscribed Shares you elect to subscribe for pursuant to the Over-Subscription Privilege, to the Subscription Agent, on or prior to the Expiration Time. Payment of the Subscription Price will be held in a segregated account to be maintained by the Subscription Agent. All payments must be made in U.S. dollars for the full number of Underlying Shares being subscribed for (a) by check or bank draft drawn upon a U.S. bank or postal, telegraphic or express money order payable to Securities Transfer Corp., as Subscription Agent, or (b) by wire transfer of immediately available funds, to the account maintained by the Subscription Agent for purposes of accepting subscriptions in the Rights Offering at Texas Bank & Trust, for Credit to Securities Transfer Corporation Account P, ABA No. 111923238, further credit to Account Number 207290 (the "Subscription Account"). Any wire transfer should clearly indicate the identity of the subscriber who is paying the Subscription Price by wire transfer. Payments will be deemed to have been received upon (i) clearance of any uncertified check, (ii) receipt by the Subscription Agent of any certified check or bank draft drawn upon a U.S. bank or of any postal, telegraphic or express money order or (iii) receipt of collected funds in the Subscription Account designated above. If paying by uncertified personal check, please note that the funds paid thereby may take five or more business days to clear. Accordingly, Rights holders who wish to pay the Subscription Price by means of uncertified personal check are urged to make payment sufficiently in advance of the Expiration Time to ensure that such payment is received and clears by such date and are urged to consider payment by means of certified or cashier's check, money order or wire transfer of funds.

**Delivery to an address other than those above does not constitute valid delivery.**

By making arrangements with your bank or broker for the delivery of funds on your behalf you may also request such bank or broker to exercise the Rights Certificate on your behalf. Alternatively, you may cause a written guarantee substantially in the form of Exhibit A to these instructions (the "Notice of Guaranteed Delivery"), from a member firm of a registered national securities exchange or a member of the Financial Industry Regulatory Authority, or from a commercial bank or trust company having an office or correspondent in the United States or from a bank, shareholder, savings and loan association or credit union with membership in an approved signature guarantee medallion program, pursuant to Rule 17Ad-15 of the Securities Exchange Act of 1934, as amended, (each, an "Eligible Institution"), to be received by the Subscription Agent on or prior to the Expiration Time together with payment in full of the applicable Subscription Price. Such Notice of Guaranteed Delivery must state your name, the number of Rights represented by the Rights Certificate or Rights Certificates held by you, the number of Underlying Shares being subscribed for pursuant to the Basic Subscription Privilege, the number of additional shares of Common Stock you wish to subscribe for pursuant to the Over-Subscription Privilege and that you will guarantee the delivery to the Subscription Agent of any properly completed and executed Rights Certificate or Rights Certificates evidencing such Rights within three (3) business days following the date of the Notice of Guaranteed Delivery. If this procedure is followed, the properly completed Rights Certificate or Rights Certificates evidencing the Right or Rights being exercised, with any signatures required to be guaranteed so guaranteed, must be received by the Subscription Agent within three (3) business days following the date of the Notice of Guaranteed Delivery. The Notice of Guaranteed Delivery may be delivered to the Subscription Agent in the same manner as Rights Certificates at the address set forth above, or may be transmitted to the Subscription Agent by facsimile transmission (Facsimile No. (469) 633-0088). Additional copies of the Notice of Guaranteed Delivery may be obtained upon request from the Subscription Agent at the address set forth above, or by calling the Information Agent or by calling the Subscription Agent at the telephone numbers set forth above.

If you do not indicate the number of Rights being exercised, or do not forward full payment of the Subscription Price, then you will be deemed to have exercised your Rights with respect to the maximum number of whole Rights that may be exercised with the aggregate Subscription Price you delivered to the Subscription Agent. If your aggregate Subscription Price is greater than the amount you owe for exercise of your Basic Subscription Privilege in full, you will be deemed to have exercised your Over-Subscription Privilege to purchase the maximum number of shares of Common Stock with your over-payment. If we do not apply your full Subscription Price payment to your purchase of shares of Common Stock, the excess subscription payment received by the Subscription Agent will be returned to you, without interest, as soon as practicable.

---

Brokers, custodian banks and other nominee holders of Rights who exercise the Basic Subscription Privilege and the Over-Subscription Privilege on behalf of beneficial owners of Rights will be required to certify to the Subscription Agent and Chanticleer, in connection with the exercise of the Over-Subscription Privilege, as to the aggregate number of Rights that have been exercised pursuant to the Basic Subscription Privilege and the number of shares of Common Stock that are being subscribed for pursuant to the Over-Subscription Privilege, by each beneficial owner of Rights (including such nominee itself) on whose behalf such nominee holder is acting.

Chanticleer can provide no assurances that there will be enough shares available to purchase the number of shares of Common Stock issuable upon the exercise of your Basic Subscription Privilege or your Over-Subscription Privilege in full at the expiration of the Rights Offering. Chanticleer will not be able to satisfy your exercise of the Basic Subscription Privilege if all of our stockholders exercise their Basic Subscription Privileges in full, and we will only honor an Over-Subscription Privileges to the extent sufficient Unsubscribed Shares are available following the exercise of subscription rights under the Basic Subscription Privileges.

- To the extent the aggregate subscriptions available to you pursuant to the subscription privileges is less than the amount you actually paid in connection with the exercise of the privileges, you will be allocated only the number of Unsubscribed Shares available to you as soon as practicable after the Expiration Time, and your excess subscription payment received by the Subscription Agent will be returned, without interest, as soon as practicable.

- To the extent the amount you actually paid in connection with the exercise of the subscription privileges is less than the aggregate Subscription Price of the maximum number of Shares available to you, you will be allocated the number of Shares for which you actually paid in connection with the privilege. See “The Rights Offering — The Subscription Rights — Over-Subscription Privilege.”

## **2. Issuance of Common Stock**

The following deliveries and payments will be made to the address shown on the face of your Rights Certificate, unless you provide instructions to the contrary in your Rights Certificate.

*(a) Basic Subscription Privilege.* As soon as practicable after the Expiration Time after all prorations and adjustments contemplated by the terms of the Rights Offering have been effected and the valid exercise of Rights, the Subscription Agent will mail to each exercising Rights holder certificates representing shares of Common Stock purchased pursuant to the Basic Subscription Privilege.

*(b) Over-Subscription Privilege.* As soon as practicable after the Expiration Time and after all prorations and adjustments contemplated by the terms of the Rights Offering have been effected, the Subscription Agent will mail to each Rights holder that validly exercises the Over-Subscription Privilege certificates representing the number of shares of Common Stock, if any, allocated to such Rights holder pursuant to the Over-Subscription Privilege.

*(c) Excess Cash Payments.* As soon as practicable after the Expiration Time and after all prorations and adjustments contemplated by the terms of the Rights Offering have been effected, any excess subscription payments received in payment of the Subscription Price the Subscription Agent will be mailed to each Rights holder, without interest.

---

### **3. No Sale or Transfer of Rights**

The subscription rights granted to you are non-transferable and, therefore, you may not sell, transfer or assign your subscription rights to anyone.

### **4. Execution**

(a) *Execution by Registered Holder.* The signature on the Rights Certificate must correspond with the name of the registered holder exactly as it appears on the face of the Rights Certificate without any alteration or change whatsoever. Persons who sign the Rights Certificate in a representative or other fiduciary capacity must indicate their capacity when signing and, unless waived by the Subscription Agent in its sole and absolute discretion, must present to the Subscription Agent satisfactory evidence of their authority to so act.

(b) *Execution by Person Other than Registered Holder.* If the Rights Certificate is executed by a person other than the holder named on the face of the Rights Certificate, proper evidence of authority of the person executing the Rights Certificate must accompany the same unless, for good cause, the Subscription Agent dispenses with proof of authority.

(c) *Signature Guarantees.* Your signature must be guaranteed by an Eligible Institution if you specify special payment or delivery instructions.

### **5. Method of Delivery.**

The method of delivery of Rights Certificates and payment of the Subscription Price to the Subscription Agent will be at the election and risk of the Rights holder. However, if you elect to exercise your Rights, Chanticleer urges you to consider using a certified or cashier's check, money order, or wire transfer of funds to ensure that the Subscription Agent receives your funds prior to the Expiration Time. If you send an uncertificated check, payment will not be deemed to have been received by the Subscription Agent until the check has cleared, but if you send a certified check, bank draft drawn upon a U.S. bank, a postal, telegraphic or express money order or wire or transfer funds directly to the Subscription Agent's account, payment will be deemed to have been received by the Subscription Agent immediately upon receipt of such instruments and wire or transfer. Any personal check used to pay for shares of Common Stock must clear the appropriate financial institutions prior to the Expiration Time. The clearinghouse may require five or more business days. Accordingly, Recordholders that wish to pay the Subscription Price by means of an uncertificated personal check are urged to make payment sufficiently in advance of the Expiration Time to ensure such payment is received and clears by such date.

### **6. Special Provisions Relating to the Delivery of Rights through the Depository Trust Company.**

In the case of Rights that are held of record through The Depository Trust Company ("DTC"), exercises of the Basic Subscription Privilege and of the Over-Subscription Privilege may be effected by instructing DTC to transfer Rights from the DTC account of such holder to the DTC account of the Subscription Agent, together with certification as to the aggregate number of Rights exercised subscribed for pursuant to the Basic Subscription Privilege and the number of Unsubscribed Shares subscribed for pursuant to the Over-Subscription Privilege by each beneficial owner of Rights on whose behalf such nominee is acting, and payment of the Subscription Price for each share of Common Stock subscribed for pursuant to the Basic Subscription Privilege and the Over-Subscription Privilege.

### **7. Substitute Form W-9.**

Each Rights holder who elects to exercise Rights should provide the Subscription Agent with a correct Taxpayer Identification Number ("TIN") on Substitute Form W-9, a copy of which is included as Exhibit B hereto. Additional copies of Substitute Form W-9 may be obtained upon request from the Subscription Agent at the address set forth above or by calling the Information Agent, Okapi Partners LLC, at (212) 297-0720, (877) 869-0171 (toll free). Failure to provide the information on the form may subject such holder to a \$50.00 penalty for each such failure and to U.S. federal income tax backup withholding (currently at a 28% rate) with respect to dividends that may be paid by Chanticleer on shares of Common Stock purchased upon the exercise of Rights (for those holders exercising Rights).

CHANTICLEER HOLDINGS, INC.**

Subscription Rights to Purchase Shares of Common Stock

Offered Pursuant to Subscription Rights Distributed to Stockholders of

Chanticleer Holdings, Inc.

September 8, 2015

To Security Dealers, Commercial Banks,  
Trust Companies and Other Nominees:

This letter is being distributed to securities dealers, commercial banks, trust companies and other nominees in connection with the rights offering (the "Rights Offering") by Chanticleer Holdings, Inc. ("Chanticleer") of shares of Common Stock (as such term is defined below), pursuant to non-transferable subscription rights (the "Rights") distributed to all holders of record (the "Recordholders") of shares of Chanticleer common stock, par value \$0.0001 per share (the "Common Stock"), at 4:00 p.m., Eastern Standard Time, on September 4, 2015 (the "Record Date"). The Rights and Common Stock are described in the prospectus supplement dated September 8, 2015 and accompanying base prospectus (collectively, the "Prospectus").

In the Rights Offering, Chanticleer is offering an aggregate of 7,407,407 shares of Common Stock, as described in the Prospectus.

The Rights will expire, if not exercised prior to 5:00 p.m., Eastern Standard Time, on September 18, 2015, unless extended (the "Expiration Time").

As described in the accompanying Prospectus, Each Recordholder will receive one Right for each share of Common Stock owned at 5:00 p.m., Eastern Standard Time, on the Record Date. Each Right will allow the holder to subscribe for one share of Common Stock (the "Basic Subscription Privilege") at the cash price of \$1.35 per full share (the "Subscription Price") plus an unlimited over-subscription privilege ("Over-Subscription Privilege") to purchase any shares of Common Stock that are not purchased by stockholders through the exercise of their Basic Subscription Privileges (the "Unsubscribed Shares"). For example, if a Recordholder owned 100 shares of Common Stock as of 4:00 p.m., Eastern Standard Time, on the Record Date, it would receive 100 Rights and would have the right to purchase 100 shares of Common Stock for the Subscription Price plus an unlimited Over-Subscription Privilege.

Recordholders must purchase all of the shares of common stock available to them pursuant to their Basic Subscription Privileges in order to also exercise the Over-Subscription Privilege to purchase Unsubscribed Shares. Both the Basic Subscription Privilege and the Over-Subscription Privilege are subject to the availability and pro rata allocation of the Unsubscribed Shares among participants. To the extent the Unsubscribed Shares are not sufficient to satisfy all of the properly exercised subscription privileges, then the Unsubscribed Shares will be prorated among those who properly exercised their subscription privileges based on the number of shares each person subscribed for under the Basic Subscription Privilege. If this pro rata allocation results in any person receiving a greater number of Unsubscribed Shares than the person subscribed for, then such person will be allocated only that number of Unsubscribed Shares for which the person subscribed, and the remaining Unsubscribed Shares will be allocated among all other participants. The proration process will be repeated until all Unsubscribed Shares have been allocated or all subscriptions have been fulfilled, whichever occurs earlier.

---

The number of shares subscribed pursuant to the subscription privileges is further subject to reduction as a result of Tax Attribute Considerations as described in the Prospectus.

Participants will be required to submit payment in full for all the shares they wish to buy. Because we will not know the total number of Unsubscribed Shares prior to the Expiration Date, if participants wish to maximize the number of shares they may purchase pursuant to their subscription privileges, they will need to deliver payment in an amount equal to the aggregate Subscription Price for the maximum number of shares of Common Stock they wish to subscribe for in total. Chanticleer will eliminate fractional shares of Common Stock resulting from the exercise of subscription privileges by rounding down to the nearest whole share, with the total subscription payment being adjusted accordingly. Any excess subscription payments received by the Subscription Agent will be returned, without interest, as soon as practicable.

Chanticleer can provide no assurances that there will be enough shares available to purchase the number of shares of Common Stock issuable upon the exercise of participants' Basic Subscription Privileges or your Over-Subscription Privileges in full at the expiration of the Rights Offering. Chanticleer will not be able to satisfy exercises of the Basic Subscription Privilege if all of our stockholders exercise their Basic Subscription Privileges in full, and we will only honor an Over-Subscription Privileges to the extent sufficient Unsubscribed Shares are available following the exercise of subscription rights under the Basic Subscription Privileges.

- To the extent the aggregate subscriptions available to a participant pursuant to the subscription privileges is less than the amount such participant actually paid in connection with the exercise of the privileges, the participant will be allocated only the number of Unsubscribed Shares available to it as soon as practicable after the Expiration Time, and its excess subscription payment received by the Subscription Agent will be returned, without interest, as soon as practicable.

- To the extent the amount a participant actually paid in connection with the exercise of the subscription privileges is less than the aggregate Subscription Price of the maximum number of Shares available to the participant, the participant will be allocated the number of Shares for which it actually paid in connection with the privilege. See "The Rights Offering — The Subscription Rights — Over-Subscription Privilege."

The Rights will be evidenced by a non-transferable Rights certificate (the "Rights Certificate") registered in the Recordholder's name or its nominee and will cease to have any value at the Expiration Time.

We are asking persons who hold shares of Common Stock beneficially and who have received the Rights distributable with respect to those shares through a broker, dealer, commercial bank, trust company or other nominee, as well as persons who hold certificates of Common Stock directly and prefer to have such institutions effect transactions relating to the Rights on their behalf, to contact the appropriate institution or nominee and request it to effect the transactions for them. In addition, we are asking beneficial owners who wish to obtain a separate Rights Certificate to contact the appropriate nominee as soon as possible and request that a separate Rights Certificate be issued.

---

All commissions, fees and other expenses (including brokerage commissions and transfer taxes), other than fees and expenses of the Subscription Agent, incurred in connection with the exercise of the Rights will be for the account of the holder of the Rights, and none of such commissions, fees or expenses will be paid by Chanticleer or the Subscription Agent.

Enclosed are copies of the following documents:

1. Prospectus;
2. Instructions as to the use of Chanticleer Holdings, Inc. Rights Certificates (including a Notice of Guaranteed Delivery for Rights Certificates Issued by Chanticleer, Inc. and Guidelines for Request for Taxpayer Identification Number and Certification on Substitute Form W-9);
3. A form of letter which may be sent to your clients for whose accounts you hold shares of Common Stock registered in your name or the name of your nominee, with an attached form of instruction;
4. Notice of Guaranteed Delivery for Rights Certificates Issued by Chanticleer; and
5. A return envelope addressed to Securities Transfer Corp., the Subscription Agent.

Your prompt action is requested. To exercise the Rights, you should deliver the properly completed and signed Rights Certificate (or Notice of Guaranteed Delivery if you are following the Guaranteed Delivery Procedures), with payment of the Subscription Price in full for each share of Common Stock subscribed for pursuant to the Basic Subscription Privilege and the Over-Subscription Privilege, to the Subscription Agent, as indicated in the Prospectus. The Subscription Agent must receive the Rights

Certificate or Notice of Guaranteed Delivery with payment of the Subscription Price, including final clearance of any checks, prior to the Expiration Time. A Rights holder cannot revoke the exercise of its Rights. Rights not exercised prior to the Expiration Time will expire.

Additional copies of the enclosed materials may be obtained from Okapi Partners, LLC, the Information Agent. The Information Agent's telephone number is (212) 297-0720, (877) 869-0171 (toll free). Very truly yours,

CHANTICLEER HOLDINGS, INC.**

Subscription Rights to Purchase Shares of Common Stock

Offered Pursuant to Subscription Rights Distributed to Stockholders of

Chanticleer Holdings, Inc.

September 8, 2015

Dear Stockholder:

This letter is being distributed by Chanticleer Holdings, Inc. (“Chanticleer”) to all holders of record of shares of its common stock, par value \$0.0001 per share (the “Common Stock”), at 4:00 p.m., Eastern Standard Time, on Friday September 4, 2015 (the “Record Date”), in connection with a distribution in a rights offering (the “Rights Offering”) of non-transferable subscription rights (the “Rights”) to subscribe for and purchase shares of Common Stock. The Rights and Common Stock are described in the prospectus supplement dated September 8, 2015 and accompanying base prospectus (copies of which accompany this letter) (collectively, the “Prospectus”).

In the Rights Offering, Chanticleer is offering an aggregate of 7,407,407 shares of Common Stock, as described in the Prospectus.

The Rights will expire, if not exercised prior to 5:00 p.m., Eastern Standard Time, on September 18, 2015, unless extended (the “Expiration Time”). Please contact your broker or financial advisor as they may have an earlier cut off time to receive subscriptions.

Neither Chanticleer, its board nor the dealer-manager is making no recommendation regarding your exercise of the Rights. The Rights will not be listed for trading on the NASDAQ Capital Market or any stock exchange or market or on the OTC Bulletin Board.

As described in the accompanying Prospectus, you will receive one Right for each share of Common Stock owned at 5:00 p.m., Eastern Standard Time, on the Record Date. Each Right will allow you to subscribe for one share of Common Stock (the “Basic Subscription Privilege”) at the cash price of \$1.35 per full share (the “Subscription Price”) plus an unlimited over-subscription privilege (“Over-Subscription Privilege”) to purchase any shares of Common Stock that are not purchased by stockholders through the exercise of their Basic Subscription Privileges (the “Unsubscribed Shares”). For example, if you owned 100 shares of Common Stock as of 4:00 p.m., Eastern Standard Time, on the Record Date, you would receive 100 Rights and would have the right to purchase 100 shares of Common Stock for the Subscription Price plus an unlimited Over-Subscription Privilege.

You must purchase all of the shares of common stock available to you pursuant to your Basic Subscription Privilege in order to also exercise the Over-Subscription Privilege to purchase Unsubscribed Shares. Both the Basic Subscription Privilege and the Over-Subscription Privilege are subject to the availability and pro rata allocation of the Unsubscribed Shares among participants. To the extent the Unsubscribed Shares are not sufficient to satisfy all of the properly exercised subscription privileges, then the Unsubscribed Shares will be prorated among those who properly exercised their subscription privileges based on the number of shares each person subscribed for under the Basic Subscription Privilege. If this pro rata allocation results in any person receiving a greater number of Unsubscribed Shares than the person subscribed for, then such person will be allocated only that number of Unsubscribed Shares for which the person subscribed, and the remaining Unsubscribed Shares will be allocated among all other participants. The proration process will be repeated until all Unsubscribed Shares have been allocated or all subscriptions have been fulfilled, whichever occurs earlier.

---

The number of shares subscribed pursuant to the subscription privileges is further subject to reduction as a result of Tax Attribute Considerations as described in the Prospectus.

You will be required to submit payment in full for all the shares you wish to buy. Because we will not know the total number of Unsubscribed Shares prior to the Expiration Date, if you wish to maximize the number of shares you may purchase pursuant to your subscription privileges, you will need to deliver payment in an amount equal to the aggregate Subscription Price for the maximum number of shares of Common Stock you wish to subscribe for in total. Chanticleer will eliminate fractional shares of Common Stock resulting from the exercise of subscription privileges by rounding down to the nearest whole share, with the total subscription payment being adjusted accordingly. Any excess subscription payments received by the Subscription Agent will be returned, without interest, as soon as practicable.

Chanticleer can provide no assurances that there will be enough shares available to purchase the number of shares of Common Stock issuable upon the exercise of your Basic Subscription Privilege or your Over-Subscription Privilege in full at the expiration of the Rights Offering. Chanticleer will not be able to satisfy your exercise of the Basic Subscription Privilege if all of our stockholders exercise their Basic Subscription Privileges in full, and we will only honor an Over-Subscription Privileges to the extent sufficient Unsubscribed Shares are available following the exercise of subscription rights under the Basic Subscription Privileges.

- To the extent the aggregate subscriptions available to you pursuant to the subscription privileges is less than the amount you actually paid in connection with the exercise of the privileges, you will be allocated only the number of Unsubscribed Shares available to you as soon as practicable after the Expiration Time, and your excess subscription payment received by the Subscription Agent will be returned, without interest, as soon as practicable.

- To the extent the amount you actually paid in connection with the exercise of the subscription privileges is less than the aggregate Subscription Price of the maximum number of Shares available to you, you will be allocated the number of Shares for which you actually paid in connection with the privilege. See “The Rights Offering — The Subscription Rights — Over-Subscription Privilege.”

The Rights will be evidenced by a non-transferable Rights certificate (the “Rights Certificate”) and will cease to have any value at the Expiration Time.

Enclosed are copies of the following documents:

1. Prospectus;
  2. Rights Certificate;
  3. Instructions as to the Use of Chanticleer Holdings, Inc. Rights Certificates (including a Notice of Guaranteed Delivery for Rights Certificates Issued by Chanticleer and Guidelines for Request for Taxpayer Identification Number and Certification of Substitute Form W-9); and
  4. A return envelope addressed to Securities Transfer Corp., the Subscription Agent.
-

Your prompt action is requested. To exercise the Rights, you should deliver the properly completed and signed Rights Certificate (or the Notice of Guaranteed Delivery if you are following the Guaranteed Delivery Procedures) and forward it, with payment of the Subscription Price in full for each share of Common Stock subscribed for pursuant to the Basic Subscription Privilege and the Over-Subscription Privilege, to the Subscription Agent, as indicated in the Prospectus. The Subscription Agent must receive the Rights Certificate or Notice of Guaranteed Delivery with payment of the Subscription Price, including final clearance of any checks, prior to the Expiration Time. A Rights holder cannot revoke the exercise of its Rights. Rights not exercised prior to the Expiration Time will expire.

**FORM OF LETTER  
CHANTICLEER, INC.**

Subscription Rights to Purchase Shares of Common Stock  
Offered Pursuant to Subscription Rights Distributed to Stockholders of  
Chanticleer Holdings, Inc.  
September 8, 2015

To Our Clients:

Enclosed for your consideration are a prospectus supplement dated September 8, 2015 and accompanying base prospectus (collectively, the "Prospectus") and the "Instructions as to Use of Chanticleer, Inc. Rights Certificates" relating to the offering (the "Rights Offering") by Chanticleer Holdings, Inc. ("Chanticleer") of shares of Common Stock (as defined below) pursuant to non-transferable subscription rights (the "Rights") distributed to all holders of record of shares of the Company's common stock, par value \$0.0001 per share (the "Common Stock"), at 4:00 p.m., Eastern Standard Time, on Friday, September 4, 2015 (the "Record Date"). The Rights and Common Stock are described in the Prospectus.

In the Rights Offering, Chanticleer is offering an aggregate of up to 7,407,407 shares of Common Stock, as described in the Prospectus. Please contact your broker or financial advisor as they may have an earlier cut off time to receive subscriptions.

The Rights will expire, if not exercised prior to 5:00 p.m., Eastern Standard Time, on September 18, 2015, unless extended (the "Expiration Time").

The Rights will not be listed for trading on the NASDAQ Capital Market or any stock exchange or market or on the OTC Bulletin Board.

As described in the accompanying Prospectus, you will receive one Right for each share of Common Stock owned at 5:00 p.m., Eastern Standard Time, on the Record Date. Each Right will allow you to subscribe for one share of Common Stock (the "Basic Subscription Privilege") at the cash price of \$1.35 per full share (the "Subscription Price") plus an unlimited over-subscription privilege ("Over-Subscription Privilege") to purchase any shares of Common Stock that are not purchased by stockholders through the exercise of their Basic Subscription Privileges (the "Unsubscribed Shares"). For example, if you owned 100 shares of Common Stock as of 4:00 p.m., Eastern Standard Time, on the Record Date, you would receive 100 Rights and would have the right to purchase 100 shares of Common Stock for the Subscription Price plus an unlimited Over-Subscription Privilege.

You must purchase all of the shares of common stock available to you pursuant to your Basic Subscription Privilege in order to also exercise the Over-Subscription Privilege to purchase Unsubscribed Shares. Both the Basic Subscription Privilege and the Over-Subscription Privilege are subject to the availability and pro rata allocation of the Unsubscribed Shares among participants. To the extent the Unsubscribed Shares are not sufficient to satisfy all of the properly exercised subscription privileges, then the Unsubscribed Shares will be prorated among those who properly exercised their subscription privileges based on the number of shares each person subscribed for under the Basic Subscription Privilege. If this pro rata allocation results in any person receiving a greater number of Unsubscribed Shares than the person subscribed for, then such person will be allocated only that number of Unsubscribed Shares for which the person subscribed, and the remaining Unsubscribed Shares will be allocated among all other participants. The proration process will be repeated until all Unsubscribed Shares have been allocated or all subscriptions have been fulfilled, whichever occurs earlier.

---

The number of shares subscribed pursuant to the subscription privileges is further subject to reduction as a result of Tax Attribute Considerations as described in the Prospectus.

You will be required to submit payment in full for all the shares you wish to buy. Because we will not know the total number of Unsubscribed Shares prior to the Expiration Date, if you wish to maximize the number of shares you may purchase pursuant to your subscription privileges, you will need to deliver payment in an amount equal to the aggregate Subscription Price for the maximum number of shares of Common Stock you wish to subscribe for in total. Chanticleer will eliminate fractional shares of Common Stock resulting from the exercise of subscription privileges by rounding down to the nearest whole share, with the total subscription payment being adjusted accordingly. Any excess subscription payments received by the Subscription Agent will be returned, without interest, as soon as practicable.

Chanticleer can provide no assurances that there will be enough shares available to purchase the number of shares of Common Stock issuable upon the exercise of your Basic Subscription Privilege or your Over-Subscription Privilege in full at the expiration of the Rights Offering. Chanticleer will not be able to satisfy your exercise of the Basic Subscription Privilege if all of our stockholders exercise their Basic Subscription Privileges in full, and we will only honor an Over-Subscription Privilege to the extent sufficient Unsubscribed Shares are available following the exercise of subscription rights under the Basic Subscription Privileges.

- To the extent the aggregate subscriptions available to you pursuant to the subscription privileges is less than the amount you actually paid in connection with the exercise of the privileges, you will be allocated only the number of Unsubscribed Shares available to you as soon as practicable after the Expiration Time, and your excess subscription payment received by the Subscription Agent will be returned, without interest, as soon as practicable.

- To the extent the amount you actually paid in connection with the exercise of the subscription privileges is less than the aggregate Subscription Price of the maximum number of Shares available to you, you will be allocated the number of Shares for which you actually paid in connection with the privilege. See “The Rights Offering — The Subscription Rights — Over-Subscription Privilege.”

The Rights will be evidenced by a non-transferable Rights certificate (the “Rights Certificate”) and will cease to have any value at the Expiration Time.

THE MATERIALS ENCLOSED ARE BEING FORWARDED TO YOU AS THE BENEFICIAL OWNER OF COMMON STOCK CARRIED BY US IN YOUR ACCOUNT BUT NOT REGISTERED IN YOUR NAME. EXERCISES AND SALES OF RIGHTS MAY BE MADE ONLY BY US AS THE RECORD OWNER AND PURSUANT TO YOUR INSTRUCTIONS.

Accordingly, we request instructions as to whether you wish us to elect to subscribe for any shares of Common Stock to which you are entitled pursuant to the terms and subject to the conditions set forth in the enclosed Prospectus. However, we urge you to read the document carefully before instructing us to exercise your Rights.

---

If you wish to have us, on your behalf, exercise the Rights for any shares of Common Stock to which you are entitled, please so instruct us by completing, executing and returning to us the instruction form on the reverse side of this letter.

Your instructions to us should be forwarded as promptly as possible in order to permit us to exercise Rights on your behalf in accordance with the provisions of the Rights Offering. The Rights Offering will expire at 5:00 p.m., Eastern Standard Time, at the Expiration Time. Once you have exercised your subscription privilege(s), such exercise may not be revoked.

Additional copies of the enclosed materials may be obtained from Okapi Partners, LLC, the Information Agent. The Information Agent's telephone number is (212) 297-0720, (877) 869-0171 (toll free).
